

Print height upto **70mm**
Resolution **180dpi**

NEW

KGG JET HQ1500

- Y Affordable print with 70mm height with 180dpi resolution.
- Y Practical feasibility to connect up to 4 heads.
- Y Intelligent nozzle design for consistent printing at variable speeds.
- Y Oil base ink allow smooth flow from nozzle.
- Y Ergonomically designed and easy operation with touch panel.

• Specifications

Product Name		HQ1500 Standard	Extended IO
Constitution	Ink injection	Head reservoir & controller is separate	
Direction	Number of Heads	Side, Top	
Number of Channels	Head to	Maximum 4 heads	
Product Distance	Maximum	510ch	
Printing Height	Resolution Max	3mm	
Printing Speed	Head	71.8mm	
Temperature Ink Print	Target Ink	180dpi	
Supply Method	Number of	67 Mt./min	
Registered Message	Maximum	20oC	
Size of One Message	Character	Skt Black, PST Red, PST Blue, PST Yellow, PST Green,	
Type Font	Date Time Printing	Cardboard, Paper, Wood and another porous material	
Numbering Barcode	2D Barcode	Adding ink bottle to reservoir	
Image Type	Encoder I/O	1000 message	
Communication Backup	&	Number of registered module per message 32	
Version Upgrade	Power Supply	Alphanumeric characters, Symbols, Katana, Kanji	
Ground Display	Usage	True Type (Gothic, Mincho)	
Environment		Yes (Month, Date, Hours 12/24 minutes, Second & Days upto 10 digits up/down repeat & incremental ITF, code 39, NW7, JAN, Code128, UPC QR, Data matrix, PDF417 BMP - 3 Output (Ready, Ink, Alarm) Ethernet USB AC230V 50/60Hz Class D Ground Touch Panel (5.7inch QVGA 320x240) 5~35oC 10 ~ 80% RH (No condensation)	
Dimensions (MM)	Controller	W170XD155xH33	W170XD155xH115
	Reservoir	W163XD190XH255	
	Head Flexible	W53XD185XH150	
Maximum Cable Length	Head Head	1.5M	
	Cable RoHS	20M	
Standard Compliant	IP CE	Yes	
		-	
		Certified
